One Lap For Dogs is competing again! This year, we're supporting "Bark for Life" and their efforts to fight cancer. Help us cover the newest red race car with personalized white dog bones for a great cause!

Your **\$10 contribution** will place your customized dog bone on the race car for the season. Proceeds go directly to **Bark for Life** which in turn will raise thousands more for cancer research. The One Lap For Dogs Team will be competing in the 2014 Lemons Race in New Jersey in August and Michigan in October. Watch our website for more!

What is Bark for Life?

The American Cancer Society Bark For Life is a fundraising event honoring the life-long contributions of our Canine Caregivers. It presents an opportunity for people to be empowered through their canine companion partnerships and to contribute to cancer cures through the mission of the American Cancer Society. Canine companions demonstrate unconditional love, joy, security, compassion, and no judgments of cancer survivors abilities or appearances. The American Cancer Society Bark For Life is an irresistible way to partner with your canine best friend, smile, and make new friends – canine & human. *For more information, please visit their website: www.relayforlife.org/learn/relayeventsforeveryone/barkforlife*
